Re: *USA v Angel Hernandez*, 22 Cr. 702 (NRB)

Your Honor:

I write to ask that this Court modify the conditions of release for my client, Angel Hernandez. In December, 2022, Mr. Hernandez was arrested and released on the condition of home detention, with electronic monitoring. In March, 2023, his conditions were changed to a curfew. Since then, Mr. Hernandez has started a job, continued to live at home with his mother, and according to pre-trial services, been fully compliant with the conditions of his bond.

In view of Mr. Hernandez's good behavior over the past year, we ask that his bond be modified by removing the condition of curfew with electronic monitoring. Both the pre-trial services office and the Government consent to this application.

Respectfully submitted,

/s/
James E. Neuman
